

KAYAH STATE INVESTMENT FORUM

26 May 2018 Loikaw, Kayah State

Come and Discover Kayah State's Untapped Opportunities!

The Kayah State is situated on the north by Shan State, on the east by Thailand's Mae Hong Song Province and on the South and West by Kayah State. Kayah State has vast and diversified land that has many potential for agriculture, mining, tourism and other industries. The estimates population in 2017 was approximately 291,778. Kayah State is divided into 2 districts (Loikaw and Bawlake) which are divided into 7 townships with 106 wards and villages.

In order to promote investment in the State fairly, Kayah State Investment Forum will be performed to pursue the following objectives: to understand business and investment climate of Kayah State and its untapped opportunities for investment, to enhance linkages between local businesses and foreign/domestic investors, to further enhance capacity of DICA Loikaw which could assist potential investors with wide range of opportunities available in Kayah State.

To promote investment in Kayah State more effectively, Myanmar Investment Commission (MIC), Kayah State Government and Kayah Investment Committee (KIC) plan to conduct the "Kayah State Investment Opportunity Survey and Investment Forum". The survey is being conducted by Myanmar Marketing Research and Development (MMRD). The investment forum will be jointly organized by MIC, Kayah State Government. and KIC.

1

Seminar

High Level keynote speeches, informative presentations and live panel discussions. Outcome of the Kayah State Investment Opportunity Survey. Over 400 participants.

2

Exhibition

Booths of local industries such as agriculture, mining and tourism will be displayed for potential investors.
