

## **Myanmar Plas Print Pack**

## **Myanmar Agrotek Foodtek**

### **The Most Comprehensive Exhibition in Myanmar**

Myanmar Int'l Plastics, Rubber, Printing and Packing Industrial Exhibition & International Agriculture Techniques & Equipment Exhibition and Food Processing Industry Exhibition, will be held from July 15 to 18 at Myanmar Event Park (MEP) on Shin Saw Pu Street in Yangon.

Myanmar Plas Print Pack Exhibition and Myanmar Agrotek Foodtek have been the best platform for plastics, rubber, packing, printing, agriculture, and food processing industry in Myanmar. Many of the world's well-known brands are trying to enter this golden market since Myanmar opens up its economy.

There will be 250 exhibitors and 350 booths from 13 countries participating in this mega event. It would be your great opportunity to meet up your business partners face to face, discuss your technical needs with experts and suppliers, and seeing the array of equipment and machinery particularly in person.

To save your time from the visit process, pre-registration is opening now. Only 3 steps make your visit process quicker and easier.

1. Sign up at: <http://www.myanmar-expo.com/Plasprintpack/visitorReg.asp>

<http://www.myanmar-expo.com/agrofood/visitorReg.asp>
