### Why exhibits?

**MYANMAR GAR-TEX EXPO 2017** is launched to meet the needs of enterprises who want to catch the opportunities of emerging Myanmar market in Textile & Garment industry from the early stage with a population of about 60 millions. The exhibition promises great chances for business cooperation, networking, potential market entry, as well as for exchanging useful information and innovative ideas.

### Show Highlight :

**Business Matching:** To maximize networking opportunities to meet, interact and do business with the related enterprise during the exhibition, the exhibitors will be supported to get to know buyers they wish to meet with before & during the exhibition.

**Technical Seminar:** Professional speaker from local/ international who have particular experiences will present in the seminar in order to share the information about the market. It is also an added opportunity for exhibitors to present or demonstrate their latest technology and product innovation to buyers and visitors.

**Regional Visitors / Buyers Promotions :** Target marketing campaign will attract attention and participation from the international and local visitors, exhibitors get maximum mileage from their participation.

**Tour Visit:** exhibitors were brought on a site tour to visit market / manufacturer in order to get a useful practical view on how business are operated.
